

# Do You Want My Love

Coco Lee

Do you want my love?  
Can you make me sweat?  
Do you want it bad enough  
To make it soakin' wet?  
Do you want my love?  
Show me just how much  
Tell me, baby  
Do you, do you want my love?  
Baby, if you took my love  
Would you make the best of every moment?  
If it takes all night, baby  
Would you like to spend the hours  
Freakin' to the mornin' light?  
Love just comes if you let it  
I'll be here to satisfy you  
You look so good, I can't deny  
If you're up to it come and get it  
If you're ready, baby, give it up  
Boy, it's time to show me, show me how much  
Do you want my love?  
Can you make me sweat?  
Do you want it bad enough  
To make it soakin' wet?  
Do you want my love?  
Show me just how much  
Tell me, baby  
Do you, do you want my love?  
  
Can you handle my desires?  
Can you tell me what I'm thinking, baby?  
Can you read my mind?  
Baby, will you go the extra mile?  
Will you vow to hold me tight  
'Til we're right?  
Turn me on and on and on and on  
Love just comes if you let it  
I'll be here to satisfy you  
You look so good, I can't deny  
If you're up to it come and get it

If you're ready, baby, give it up  
Boy, it's time to show me, show me how much  
Do you want my love?  
Can you make me sweat?  
Do you want it bad enough  
To make it soakin' wet?  
Do you want my love?  
Show me just how much  
Tell me, baby  
Do you, do you want my love?  
My love, my love, my love  
Tell me do you want it?  
Tell me do you need it?  
Tell me do you want it?
