

It's Up To You

Love and Theft

Right now you got it made
Got everybody fooled
Got everything you want
It's all about you
No one's figured out
That all your lies are trueHey, whatcha gonna do
When the whole world
Turns around on you
Hey, whatcha gonna say
When the bombs you're
Throwing
Start heading your way
I've tried to be the friend
The friend you've never been
But I'm running out of things
To do
I can't change the way you are
It's up to you, it's up to youI see you standing there
A rock in your hand
Before you throw that thing
You need to understand
That this house is made of glass
So get out while you can
Yeah, yeahHey, whatcha gonna do
When the whole world
Turns around on you
Hey, whatcha gonna say
When the bombs you're
Throwing
Start heading your way
I've tried to be the friend
The friend you've never been
But I'm running out of things
To do
I can't change the way you are
It's up to you, it's up to youThe tide is coming in
Let me know, when you're
Ready to begin
I'm here, I've known you

Much too long
To give up now Hey, whatcha gonna do
When the whole world
Turns around on you
Hey, whatcha gonna say
When the bombs you're
Throwing
Start heading your way
I've tried to be the friend
The friend you've never been
But I'm running out of things
To do
I can't change the way you are
It's up to you, it's up to you Hey whatcha gonna do
When the whole world
Turns around on you
Hey, whatcha gonna say
When the bombs you're
Throwing
Start heading your way
Hey, whatcha gonna do
