Do I Know You?

Mushroomhead

I've been here a thousands times
(Yeah, do I know you? Yeah, do I know you?)
I've been here a thousands times
(Yeah, do I know you? Yeah, do I know you?)And I read your lips, and I read your lips
I've been here a thousands times
Then I read your lips and believed your liesI've been here a thousands times
Then I read your lips and believed your liesDo I know you?
Yeah, do I know you? Yeah, do I know you?
Yeah, do I know you?
Believed your lies
(Yeah, do I know you?)
Do I know you? Yeah, do I know you?
