Stop

Jimmie's Chicken Shack

I feel lucky
I made it to 25
Won't you find a place to hide
And we'll start again... over
Once you've had more time to yourself
Don't waste time here
Feeling strong
I'm gonna start today
Out of my head
No, I'm just starved
I'm starved
Feelings is gone and
I'm sorry to say that
I don't care
When will it stop
At first look
The roots aren't to healthy
Enough of these falling leaves
On my head, when will it stop
And we'll be lucky
If we make it to 29
Won't you find a place to die
And we'll start again... over
Once you have more time to yourself
Don't waste time here
Don't waste time
