Modern Romance

Yeah Yeah Yeahs

Don't hold on
Go get strong
Well, don't you know
There is no modern romanceTime, time is gone
It stops stops who it wants
Well I was wrong
It never lasts

There is no, this is no modern romanceIn time, time is gone Never lasts, stops who he was

Well I was wrong

Never lastsThis is no, there is no modern romance

There is no modern romance

This is no modern romance

There is no, there is no Baby I'm afraid of a lot of things

But I aint scared of lovin' you

Baby I know you're afraid of a lot of things

But don't be scared of love'Cause people will say all kinds of things

That don't mean a damn to me

'Cause all I see is what's in front of me

And that's youWell, I've been dragged all over the place

I've taken hits time just don't erase

And baby I can see you've been fucked with too

But that don't mean your lovin' days are through'Cause people will say all kinds of things

That don't mean a damn to me

'Cause all I see is what's in front of me

And that's youWell I may be just a fool

But I know you're just as cool

And cool kids

They belong together
