

# When I'm Weak, I'm Strong

William Murphy

When Iâ€™m Weak  
William Murphy

I glory in my trouble  
I will lift my head  
I wonâ€™t be discouraged no  
Cause when Iâ€™m sad he made me glad  
Persecuted but not forsaken  
Cast down but not destroyed oh  
Because when Iâ€™m weak  
Thatâ€™s when I am  
Thatâ€™s when he made me strong

I wonâ€™t fear tomorrow  
I wonâ€™t fear none of my foes  
I will stand in victory  
Even though Lord  
For you see on the outside I might seem to parish, I might see the parish  
But in my soul, in my mind, in my will in what I feel  
Iâ€™m renewed everyday  
Cause when Iâ€™m weak thatâ€™s when, I when I am strong

For I know no defeat  
Said I know only love  
Sometimes you got to say it till you see it  
All is well, I declare, all is well, well  
For when Iâ€™m weak (thatâ€™s when Iâ€™m at my best yâ€™all) thatâ€™s when I am strong  
For I know no defeat, said I cannot lose  
I know only love, Sing children  
Now I declare  
All is well  
Everything is well, everything is well  
All is well, well  
For Iâ€™m weak, Iâ€™m weak, thatâ€™s when I am strong â€” Aâ€™, Tâ€™.  
Cause when Iâ€™m weak thatâ€™s when I am strong

I Know no defeat  
I know only love  
All is well  
All is well, well

For when Iâ€™m weak (somebody lift your hand, say) thatâ€™s when I am strong

I grew up watching like Michael Fletcher I grew up watching people like William Murphy Jr

If William Murphy Jr was on the stage heâ€™d go I know

Know no defeat

I know only love

All is well

All is well

For when Iâ€™m weak somebody lift your hand say thatâ€™s when I am strong
