

Crying in the Snow

Peter and the Test Tube Babies

I'm gonna' tell you a lil' story now, about unrequited love . . There must be something better, there must be
something more,
there must be some good reason for loving you therefore .
Oh I, I, I, I wish i'd never met her. The laziness of loving, the feeling insecure,
the waste of something precious, you know you've been here before.
I wish i'd never met her. Should I give up breathing?
I never lose the feeling.
Should I be the hard one?
I'll just end up with no-one. This time we've had between us, the time we've had apart.
The silence getting longer, the pause that just won't stop.
I wish i'd never met her.
I know you've got your reasons, I know you've got to go.
What's the use of lying?
I'd end up cryin' in the snow, I wish i'd never met her.
