Woodburning

Toad The Wet Sprocket

Say what you need I kick you down
No I'm fine And don't you hang around
And I find myself Here in another home
Where everything moves so SlowSo tiredTake the longest day
Throw it all away
I can't stand it
But I can't do anythingEvery day's the same
Nothing ever change
I can't stand it
But I can't do anythingYou should know by now
We're all liars
Take me where you go
Only higherTake the longest day
Waste it all away
I can't stand it
But I can't do anythingEveryday's the same
Nothing ever change
I can't stand it
But I can't do anything
Can't do anythingAnything you want, anything you want, anythingTake the longest day
Throw it all away
I can't stand it
But I can't do anythingEveryday's the same
Nothing ever change
I can't stand it
But I can't do anything
Can't do anythingHere in another home
Where everything moves so slowSo tired
