

Gravity

Embrace

Honey, it's been a long time coming
And I can't stop now.
Such a long time running
And I can't stop now.
Do you hear my heart beating?
Can you hear the sound?
'Cause I can't help thinking
And I don't look down. And then I looked up at the sun and I could see
All the way that gravity turns for you and me.
And then I looked up at the sky and saw the sun
And the way that gravity pulls on everyone.
On everyone. Baby, it's been a long time waiting.
Such a long, long time.
And I can't stop smiling.
No, I can't stop now.
Do you hear my heart beating?
Can you hear the sound?
'Cause I can't help crying and I won't look down. And then I looked up at the sun and I could see
All the way that gravity turns you and me.
And then I looked up at the sun and saw the sky
And the way that gravity pulls on you and I.
On you and I.
