

The Other Side of Down

David Archuleta

Down, down
Down, down
Down, down
Down, down Here I am with all these questions hanging from my ceiling low
One by one they all keep telling me I told you so
Everywhere I turn I see red lights flashing over my head
Oh no, oh no, oh no In a whirl-wind spinning yeah, somehow it knocked me off my feet
But I know better than to let it get the best of me,
I could give up, I could stay stuck, I could move on So I put one foot front of the other,
No no no nothing's gonna break my stride,
I keep climbing, gonna keep fighting
Until I make it to the other side of down, down, down (Down, down) In the sky I'm standing under, all I see is
endless rain
I think I spot a silver lining hiding in the gray
I might get tossed around, but I'm always bouncing back
oh, oh, oh I could give up, I could stay stuck, or I could move on So I put one foot front of the other,
No no no nothing's gonna break my stride,
I keep climbing, gonna keep fighting
Until I make it to the other side of down, down, down
Down, down, down On the other side of down
It keeps calling me
Where I wanna be
On the other side of down
It keeps calling me
Where I wanna be
Where I wanna be So I put one foot front of the other,
No no no nothing's gonna break my stride,
I keep climbing, gonna keep fighting
Until I make it to the other side of down, down, down
Down, down, down
Oh, down, down
Oh, down, down
The other side of down, down
Other side of down,
Oh yeah, yeah, yeah, yeah
