

# (What a) Wonderful World

Bryan Ferry

Don't know much about history  
Don't know much biology  
Don't know much about science books  
Don't know much about the French I took But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for But I know that one and one is two  
And if this one could be with you  
What a wonderful world this would be I don't claim to be an 'A' student  
But I'm trying to be  
Maybe by being an 'A' student, baby  
I can win your love for me I don't claim to be an 'A' student  
But I'm trying to be  
Maybe by being an 'A' student, baby  
I can win your love for me Don't know much about history  
Don't know much biology  
Don't know much about science books  
Don't know much about the French I took But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be What a wonderful world this would be  
What a wonderful world this would be  
What a wonderful world this would be  
What a wonderful world this would be  
What a wonderful world this would be
