Done Did It

Kierra "kiki" Sheard

If He don't do another thing
Said He's already done enough
If He don't do another thing
Said He's already done enough
Well, put food on my table
And clothes on my back
Said He's already done enough
If He don't do nothing else
I know that He's able
'Cause He's already done enough
Now I read in my Bible that 2,000 years ago
He laid down His life just to save my soul
Now what more can I ask of Him
And what more can He do?
I'm already happy 'cause He already can do
Didn't he do?
(Already)
Didn't He do it for you
(Already)
He saved you
(Already)
He changed you
(Already)
Did you
(Already)
Heal your body
(Already)
Already
(Already)
Already
(Already)
He done did it
(Done, done did it
Done, done did it)
He made me over
(Done, done did it)
Then He changed my life
(Done, done did it)
Saved me

(Done, done did it)
Raised me
(Done, done did it)
(Done, done did it)
I can't find nothing better
(Done, done did)

(Already)
Have I got one witness?
(Already)
Has He saved your soul?
(Already)
Made you whole
(Already)
Already
(Already)
Already
(Already)
Already
(Already)
Oh
(Already)
Oh
(Already)
Already
(Already)
He died for you and me
(Already)
Way back on Calvary
(Already)
Let me see you clap your hands, yes sir
If He made it alright for you, come on, chuuch
Somebody know like I know, yes sir
That the Lord will pull you through
'Cause He's already
(Done, done did it
Done, done did it)
I'm a living witness
(Done, done did it)
'Coz He save my mama
(Done, done did it)
Done, done did it
Gimme the happy
(Done, done did it)
I feel my help

(Done, done did it)
Comin' on
(Done, done did it)
Hallelujah, did He do it for you
Did he do it for somebody in here?
Anybody got a testimony? Lord
