

No Regrets

Tom Cochrane

Walking by the road signs
I see my fate wrote upon it
And I'm checkin' out the back end
Where my race is now run You might hear a thousand harps
Of heaven rain down upon her
I cant stand and watch
While you stand accused We got no
No regrets We might have seen better times
But maybe we ain't been there yet
Remember the good times
And least you forget We'd have no
No regrets Sometimes you might find
Like you feel that your drownin'
Run for cover, like some blown out fuse Remember one thing
That you file that number
You can call me up baby
You wont be refused You'll have no
No regrets We might have seen better times
But maybe we ain't been there yet
Remember the good times
And don't you forget You'll have no
No regrets After all the shit you know we been through it
There ain't a shovel big enough in the world
That could move it We got no
No regrets We might have seen better times
But maybe we ain't been there yet
Remember who you are
And don't you forget You'll have no
No regrets You'll have no
No regrets
