

Birds Fly (Whisper to a Scream)

The Icicle Works

Some things take forever
But with building bricks of trust and love
Mountains can be moved

Love come down upon us, do you flow like water
Burning with the hope of insight
Feathered, look they're covered with a bright elation
Stolen in the sight of love

We are, we are, we are but your children
Finding our way around indecision
We are, we are, we are ever helpless
Take us forever, a whisper to a scream

Birds fly in the eye of the faithless daughter
Broken at the bitter end
Wasted sacrifice for a new nirvana
Nighttime sends us on our way

We are, we are, we are but your children
Finding our way around indecision
We are, we are, we are ever helpless
Take us forever, a whisper to a scream

A whisper to a scream
A whisper to a scream
A whisper to a scream
A whisper to a scream

We are, we are, we are but your children
Finding our way around indecision
We are, we are, we are rather helpless
Take us forever, a whisper to a scream

(We are, we are, we are, we are, we are) whisper to a scream
(We are, we are, we are, we are, we are) whisper to a scream

We are, we are, we are but your children
Finding our way around indecision

We are, we are, we are ever helpless
Take us forever, a whisper to a scream

We are, we are, we are but your children
Finding our way around indecision
We are, we are, we are ever helpless
Take us forever, a whisper to a scream

We are, we are, we are but your children
Finding our way around indecision
We are, we are, we are ever helpless
Take us forever, a whisper to a scream

We are, we are, we are but your children
