

I Got Love If You Want It

Slim Harpo

Got love if you want it, babe
Got love if you want it, babe
Got love if you want it
Got love if you want it
Got your love if you want it
We can rock awhile
We can rock awhile

Quit teasin' me, babe
Quit teasin' me, babe
With your fine brown frame
With your fine brown frame
If you let me love you, babe
I'll be your lovin' man
I'll be your lovin' man

Oh yeah, you got a thing
Oh yeah, you got a thing
With your hair fallin' down
With your hair fallin' down
I know you been ballin'
Talk's all over town
Talk's all over town

Loved the next door neighbor
Loved the next door neighbor
We been doin' the thing
We been doin' the thing
Don't worry nobody
That's all been done
That's all been done

I love you little woman
I love you little woman
But then I do myself
But then I do myself
But you mistreat me, babe
For someone else
For someone else
For someone else

For someone else
