

# Teach Me Tonight

[Liza Minnelli](#)

Did you say, I've got a lot to learn  
Well don't think I'm trying not to learn  
Since this is the perfect spot to learn  
Teach me tonight Starting with the ABC of it  
Getting right down to the XYZ of it  
Help me solve the mystery of it  
Teach me tonight The sky's a blackboard high above you  
If a shooting star goes by  
I'll use that star to write "I love you"  
A thousand times across the sky One thing isn't very clear, my love  
Should the teacher stand so near, my love  
Graduation's almost here, my love  
Teach me tonight I'll use that star to write "I love you"  
A thousand times across the sky  
One thing isn't very clear, my love  
Should the teacher stand so near, my love Graduation's almost here, my love  
So would you teach me tonight  
I must not fail, my love  
Teach me tonight
