

# Glittering Parliaments

## Guided By Voices

in a zone of behavior  
on the edge of a mirror  
in a pool of milk  
go the giants of truth  
on their golden walkerstheir bar mirror teas  
to snort  
and dreamy dear milk waysquite broken  
a grand array of mustards  
dribbling nectar  
through apple cores galore  
sinners and wonderers  
quite chosenillustration museum  
let us cry from a window  
paregoric sop  
heavy clods at hole one  
Apollonian bronzefoilgrain feeding their flames  
do tell  
and puffing through clenched teeth  
flies open  
they stand apart in clusters  
staking the future  
with histrionic boresinners and wonderers  
quite chosen
