

# You've Got a Friend (feat. Kurt Van Meter)

**James Taylor**

When you're down and troubled  
And you need a helping hand  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night You just call out my name  
And you know wherever I am  
I'll come running, oh yeah baby, to see you again  
Winter, spring, summer or fall  
All you've got to do is call  
And I'll be there, ye, ye, ye  
You've got a friend If the sky above you  
Should turn dark and full of clouds  
And that old north wind should begin to blow  
Keep you head together  
And call my name out loud now  
Soon you'll hear me knocking at your door You just call out my name  
And you know wherever I am  
I'll come running, oh yes I will, to see you again  
Winter, spring, summer or fall, ye  
All you have to do is call  
And I'll be there, ye, ye, yeah Ain't it good to know that you've got a friend  
When people can be so cold  
They'll hurt you, and desert you  
And take your soul if you let them, oh yeah, don't you let 'em now You just call out my name  
And you know wherever I am  
I'll come running to see you again, oh baby, don't you know  
Winter, spring, summer or fall  
Hey now, all you have to do is call  
And I'll be there, yes I will  
You've got a friend  
You've got a friend, yeah Ain't it good to know you've got a friend  
Ain't it good to know you've got a friend Oh, ye yeah, you've got a friend
