

# Far and Wide

## Sleeper Agent

As a girl I kissed them.  
My heart a telephone.  
Such noise to listen.  
Too many sounds so...

(I let go!)  
I think I feel it.  
(I let go!)  
I'm wild like children.  
(I lay low!)  
Misplaced a million miles from home.

And so fine I feel, far and wide.  
Far and wide.

Unravel and revel, unravel and revel!

And this lust was built in,  
Straight into my bones.  
No need resist it.  
It's a drag so ...

(I let go!)  
I think I feel it.  
(I let go!)  
I'm wild like children.  
(I lay low!)  
Misplaced a million miles from home.

And so fine I feel, far and wide.  
Far and wide.

.....

Unravel and revel. X8

And so fine I feel, far and wide! X4

Oooh ahh oooh.  
Oooh ahh oooh.  
Oooh ahh ooh, ooh ooh ooh ooh ooh.  
Oooh ahh ooh ooh ooh ooh....

---
