

Yomme, Yomme

Eartha Kitt

Yomme Yomme, Yomme Yomme

Yomme Yomme, Oh tell me Mommy,
 Oh tell me what shall I do?
Yomme Yomme Oh tell me Mommy
 Tell me what shall I do?
 I love a boy I'm sure that's right,
But he always holds me much to tight ,
and you said that's what I mustn't do.

Yomme Yomme, Yomme Yomme

Yomme Yomme, Oh tell me Mommy,
 Oh tell me what shall I do?
Yomme Yomme Oh tell me Mommy
 Tell me what shall I do?
 He squeezes me around the hips,
 and kisses me right on the lips,
and you said that's what I mustn't do.

Yomme Yomme, Yomme Yomme

Yomme Yomme, Oh tell me Mommy,
 Oh tell me what shall I do?
Yomme Yomme Oh tell me Mommy
 Tell me what shall I do?
 He wants to go away with me,
 and I told him that's ok with me,
and you said that's what I mustn't do.

Yomme Yomme, Yomme Yomme

Yomme Yomme, Oh tell me Mommy,
 Oh tell me what shall I do?
Yomme Yomme Oh tell me Mommy
 Tell me what shall I do?
 He says he'll give me everything,
 and even bought a wedding ring,
and you said that now we two can do,
 the things that you did do.

Yomme Yomme, Yomme Yomme
