

# In the Wake of Adversity

## Dead Can Dance

Hey Patrice don't cry they've no reason to harm you at all  
They don't realize that the angels surround you with light  
They don't understand their narrow ways defeat them where they stand  
They don't realize you hide your sadness beneath a painted smile  
Ignorance, that blind old fool who steers a  
wayward path  
Has set the course on which we sail into a night of uncertainty  
Following the stars that make their way across the sky  
Valuing the love that lends grace to our hearts  
We sail
