

Stevie On The Radio (Ft. Stevie Wonder)

Pixie Lott

I'll be there when the train stops
And the old '64 drops
And the [?] just like
Fresh squeezed lemonade on the road
'Cause I know it's been a long drive
I'm sure it's hot in your Levis
I'll be your breeze in the sunshine
[?] sprinkles on mama's apple pie
And I'll be playing your favorite song
Until you will sing alone
Push you peddle down through the floor
I will ride with you until the wheels fall[Chorus]
Throw your hands in the air
'Cause we coming up there
Oh don't forget this
You can wreck this
Throw heart away
We can live for today
Baby I'll show you how to roll Throw your hand in the air
'Cause we come we don't care
Oh don't forget this
You can wreck this
With the sand on my face
Let's go back to the base
Where everyone will let it go
'Cause Stevie's on the radio I wait be broken in the star lights
Taking control on the road [?]
Turn my simple ride into a good rush
There is no way [?] ruin the fun
We could be in for a long night
When you brought shut gun I am alright
I feel like a new [?] just enjoy the ride
And I'll be playing your favorite song
Until you will sing alone
Push you peddle down through the floor
I will ride with you until the wheels fall[Chorus]
Throw your hands in the air
'Cause we coming up there
Oh don't forget this

You can wreck this
Throw heart away
We can live for today
Baby I'll show you how to roll Throw your hand in the air
'Cause we come we don't care
Oh don't forget this
You can wreck this
With the sand on my face
Let's go back to the base
Where everyone will let it go
'Cause Stevie's on the radio [Chorus:]
Throw your hands in the air
'Cause we coming up there
Oh don't forget this
You can wreck this
Throw heart away
We can live for today
Baby I'll show you how to roll Throw your hand in the air
'Cause we come we don't care
Oh don't forget this
You can wreck this
With the sand on my face
Let's go back to the base
Where everyone will let it go
'Cause Stevie's on the radio
