

Surfin'

Kid Cudi

It's a revolution
Hmm, yea, hmm, yea
Hmm, yea, yea, yea, yeaAy, ay
Ay, ayNow I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
Surfin' on my own wave, baby
Surfin' on my own wave, baby
Surfin' on my own wave, baby
Surfin' on my own waveTonight is electrical
I done told y'all, this the cinema
I am on my Kubrick horn
Like a Spielberg Close Encounter form
Feelin' awesome to be black, and I'm murkin' all competition
Makin' what I want and that's a flex
Can't do what you want, now ain't that a bitch?
Slow up for no one when the show come
Magical feel in my palms
Rhythm go dumb with them hums
Mhmm, mhmm, mhmmNow I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
I ain't ridin' no waves
Too busy makin' my own waves, baby
Surfin' on my own wave, baby
Surfin' on my own wave, baby
Surfin' on my own wave, baby
Surfin' on my own waveThe industry is so full of shit
Welcome y'all to the enema
Nah man, no subliminal
'Cause they insecure, they know who they are

Feelin' awesome to be black, and I'm murkin' all competition

Everything that I do is a flex

If you don't get me, not my issue, bitch

Slow up for no one, the shogun

Got the magic in my palms

Rhythm go dumb with them hums

Mhmm, mhmm, mhmm Now I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

Surfin' on my own wave, baby

Surfin' on my own wave, baby

Surfin' on my own wave, baby

Surfin' on my own wave Ay, ay

Ay, ay Now I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

I ain't ridin' no waves

Too busy makin' my own waves, baby

Surfin' on my own wave, baby

Surfin' on my own wave, baby

Surfin' on my own wave, baby

Surfin' on my own wave Ay, ay

Ay, ay
