

# I Touch Roses (Magic Apron)

## Book Of Love

If you think I'm magical  
Cause roses bloom with my touch  
That's mathematical  
I think you think too muchI touch rosesIf you try to talk with me  
If you try to copy my  
Pocket full of poses  
You still can't touch my rosesI touch roses  
I touch roses  
I touch roses  
I touch rosesIf you think I'm magical  
Cause roses bloom with my touch  
But magics just not practical  
I think you think too muchI touch roses
