# You Look So Fine

## [Garbage](Garbage)

You look so fine, I want to break your heart
And give you mine, you're taking me over
It's so insane, you've got me tethered and chained
I hear your name and I'm falling over
I'm not like all the other girls
I can't take it like the other girls
I won't share it like the other girls
That you used to know
You look so fine
Knocked down, cried out
Been down just to find out
I'm through living for you
I'm open wide, I want to take you home
We're wasting time, you're the only one for me
You look so fine, I'm like the desert tonight
Leave her behind if you want to show me
I'm not like all the other girls
I won't take it like the other girls
I won't fake it like the other girls
That you used to know
You're taking me over
Over and over
I'm falling over
Over and over
(You're taking me over)
Loving me one more time
(Over and over)
Hide inside me tonight
(I'm falling over)
Do what you want to do
(Over and over)
Just pretend, happy end
(You're taking me over)
Let me know, let it show
(Over and over)
Ending with letting go
(I'm falling over)
Ending with letting go
Ending with letting go

Let's pretend, happy end
Let's pretend, happy end
Let's pretend, happy end
Let's pretend, happy end
