

Ooops (Mellow Birds Mix)

808 State

Ooops, alright
I'll come right over
pour myself over you
 jars of fun
 exciting stories
I'll make you forget
 tickle you a little bit
seduce out your good temper
 I'll shine all over
I'll cook my best dish for you
 but then it's my turn
I want all your adoration
 dog, I own you
 sit down fool
 you own me
 I'm yours
 I'm the sun
I'll shine all over you
 grab the rays
 sugar
