

Love You One More Time

Evie Clair

I try to avoid your eyes
But every time I look away I can't help but looking back
Just one more time
And I try, I try not to smile
When I catch you looking back at me
My heart starts racing 90 miles an hour
Oo-oo-ooo-oh

All I know is I
Don't know what I
Am feeling
Cuz I am blinded by your smile
I love you
then I hate you
but when I miss you
I can't help but love you one more ti-i-i-i-i-ime, i-i-i-i-i-ime

I hate that I feel this way
That I need you to survive another day
I need you like I need the sun
And peppermint gum

Maybe sometimes
I feel like
Just letting go, ya know
And maybe sometimes
I feel like
The universe
Couldn't separate us if it tried
You'll always be by my side

All I know is I
Don't know what I
Am feeling
Cuz I am blinded by your smile
I love you
then I hate you
but when I miss you
I can't help but love you one more time

I love you
Then I hate you
But when I miss you
I canâ€™t help but love you one more ti-i-i-i-i-ime, i-i-i-i-i-ime
I canâ€™t help but love you one more time
