Shallow

Hurt

You're watching the cars,
Movies and stars
They are your lifetime
Yet all that I am is
Half what we are
Maybe some other timeI'll get it right I'll get it right
Oh sweet voice on the phone
You sound so alone
'Cause you couldn't be wasted
Yet all that I ever was
To you I am
I'm less than a manThat slowly changes out of phase
And I don't know why it is
It's an ever-changing simple thing
That I miss
While watching TV
Take in what you saySo you're death is painless
When all that I ever was
Returns again
I'm all that I am
And I'll get it right
When I get it right
'Cause I'll get it right
When I get it rightBut I'm slowly changing out of phase
And I don't know why it is
It's an ever-changing simple thing that I know
But don't know why it is
That I'm longing for
Your sweet embrace, which I miss
