

Wheels of Fire

Judas Priest

Born on the other side
Of the track
Gotta get outta here
I won't look back Born on the other side
Wild as a hurricane
Living in overdrive Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll Too fast to give a damn
Stand my ground
No one or anything
Can tie me down Born on the other side
Wild as a hurricane
Living in overdrive Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll Ride to live
Live to ride
Wheels of fire, forever Born on the other side
Wild as a hurricane
Living in overdrive Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll Wheels
Wheels of fire

...
