The Fuckboy Song

Adam Ray

Up to your tricks
Asking for pics
ALL boys are dicks
Looking for chicks

What do you gain
From causing pan

Oh what a shame

Think it's a game

You lead me on
Not the only one
Speaking a ton
So now I'm done

I'm over it
Done with your shit
Thought we were lit

Go suck a tit

What a surprise
Telling more lies

Well I prefer
Fries over guys

You a (x3) fuckboi (x2)
