# Julien (slow motion remix)

## Placebo

The playback is here
Take a look, is all around you
You though you'd never shed a tear
So this must astound you, and must confound you
Buy a ticket for the train
Hide in a suitcase if you have to
This ain't no singing in the rain
This is a twister that will destroy youYou can run but you can't hide
Because no one here gets out alive
Find a friend in whom you can confide
Julien, you're a slow motion suicideFallen angles in the night
And everyone is barred from Heaven
Just one more hit to make it right
But everyone turns into seven
Now hat it's snowing in your brain
Another ten will not placate you
This ain't no killer for the pain
This avalanche will suffocate youYou can run but you can't hide
Because no one here gets out alive
Find a friend in whom you can rely
Julien, you're being taken for a rideYou can run but you can't hide
Because no one here gets out alive
Find a friend in whom you can confide
Julien, you're a slow motion suicideSlow-motion suicide [x9]
