

Falling

Roy Orbison

I'm falling, I'm falling
Falling in love with you Baby, come closer, closer to me
And listen, listen so carefully
Remember all the nights that I told you, I love you
It wasn't true, I used you and you were just someone new
To thrill this lonely heart of mine I was lying all the
time
Pretending to be falling in love with you But it's different now, I've kissed you now
So forgive me, forgive me somehow
Hold me tight for tonight then tell me true If you still love me, say that you love me
Don't leave me now, now that I'm falling for you I'm falling, I'm falling
Falling in love, falling in love with you
