## **Falling**

## **Roy Orbison**

I'm falling, I'm falling
Falling in love with youBaby, come closer, closer to me
And listen, listen so carefully
Remember all the nights that I told you, I love you
It wasn't true, I used you and you were just someone newTo thrill this lonely heart of mine I was lying all the time

Pretending to be falling in love with youBut it's different now, I've kissed you now
So forgive me, forgive me somehow
Hold me tight for tonight then tell me trueIf you still love me, say that you love me
Don't leave me now, now that I'm falling for youI'm falling, I'm falling
Falling in love, falling in love with you
