Angel

Slick Shoes

Looking into your eyes I've seen all
I want to be and I don't want it to end
If I could only put into words the way I see you
I only know I have an angel with me nowAnd when I fall asleep your all that I see
You're in my thoughts and all of my prayers
I wish I could mean all that you mean to me
My angel without wings, my angelI wish you could see all that you mean to me
But I could never find the words to tell you
And when I fall asleep your all that I see
You're in my thoughts and all of my prayersI wish I could mean all that you mean to me
And when I fall asleep your all that I see
You're in my thoughts and all of my prayers
I wish I could mean all that you mean to me
My angel without wings
