

# Anxiety's Moment

## Chicago

So hard to be  
Free to  
Love only you  
PeopleStarin' at me  
Try to  
Take you away  
There's noTime to delay  
We've got to live for today  
I've got  
So much to giveThere is  
So much to say  
Night after night  
Day after day
