Stupid

Oleander

So sad to hear that you don't want to hang around with me
So lame to see you leave and to know that you believe that it's over'Cause when you're weak I feel the need to get underneath your skin
And when you start to tweak I find a way to get up beside youStupid, stupid, stupid, no, no, no, no, no
Stupid, stupid, stupid, no, no, no, no, noOh in time you'll learn to love me as much as you love yourself
Oh in time you'll learn to hate me, yeah, yeahOh in time you'll learn to love me as much as you love yourself
Oh in time you'll learn to hate me, yeah, yeahBecause when I feel the need to have you back by my side
I am sweet it makes me sick to know that I can be so blindStupid, stupid, stupid, no, no, no, no, no
Stupid, stupid, stupid, no, no, no, no, no
Stupid, stupid, stupid, oh, oh, oh, oh no
Stupid, stupid, stupid, oh, oh, oh, oh, oh, oh
