Get Off My Dick

Eamon

You go, go tell your friends
(Your friends, your friends, your friends, your friends)
Tell them get off my dick
(My dick, my dick, my dick, my dick)
They keep tellin' you shit
(You shit, you shit, you shit, you shit)
Go tell, I said suck my dick
(My dick, my dick, my dick, my dick)
You could tell me this and that, I'll tell you plenty facts
Your friends are herp's, don't know what they're sayin'
Friends front in front of me, fuckin' wannabes
In your ear, but they don't know eamon
Claimin' that they seein' me, up in the industry
Actin' fool, thinkin' that I'm playin'
You're foolish for believin' them, girl, if I'm your man
It's me or them, that's what I'm sayin'
You go, go tell your friends
(Your friends, your friends, your friends, your friends)
Tell them get off my dick
(My dick, my dick, my dick, my dick)
They keep tellin' you shit
(You shit, you shit, you shit, you shit)
Go tell, I said suck my dick
(My dick, my dick, my dick, my dick)
Bring on over all your friends, I'll put it to an end
In my face, all the stories changin'
I'll blow up all their spots, but I'd rather not
I'll let you see that they just hatin'
If I want I got a block beggin' for my cock
There it now, watch how they'll be chasin'
This is how I make it stop, I make it really hot
Forgot your friends when we started matin'
You go, go tell your friends
(Your friends, your friends, your friends, your friends)
Tell them get off my dick
(My dick, my dick, my dick, my dick)
They keep tellin' you shit
(You shit, you shit, you shit, you shit)
Go tell, I said suck my dick

(My dick, my dick, my dick, my dick)
Everytime you say somethin' 'bout what your girlfriends said
It makes me wanna punch you in your head but instead
I say the same thing again, don't listen to your friends
Yo, they must be on my dick or something
They always talk a lot of smack but ain't sayin' nothin'
They steady frontin' everytime that I confront them
Come on, they just a bunch of ho's, swingin' on the poles
Buying coke, then they sniff it up in they nose
I guess you really must be stupid if you listenin' to them
It's a sin I suppose, here's your last chance to make this choice
Then my mind is chose, it's me or the ho's, case closed
You go, go tell your friends
(Your friends, your friends, your friends, your friends)
Tell them get off my dick
(My dick, my dick, my dick, my dick)
They keep tellin' you shit
(You shit, you shit, you shit, you shit)
Go tell, I said suck my dick
(My dick, my dick, my dick, my dick)
