

# Find the Words (JI Edit)

Jamie Isaac

I'm stuck right here again  
With my feet drenched to my arms, they'll never mend  
I'll mumble 'til the end until I find the words  
Surely baby, you would've heard And you won't see me weep, no need to stop me  
High on pressures are the most, and I've been dreaming A rhyme alone is enough for her to break, and that's  
okay  
Just as long as I find the words  
And tears alone are the problems that she makes  
And that's her way  
Just as long as I find the words  
Her softer touch will be heading my way  
Leave now, don't stroke her  
Another breast will be closer  
With a head that doesn't turn away  
Water runs upon the sheets we lay And you won't see me weep, no need to stop me  
High on pressures are the most, and I've been dreaming A rhyme alone is enough for her to break, and that's  
okay  
Just as long as I find the words  
And tears alone are the problems that she makes  
And that's her way  
Just as long as I find the words  
A rhyme alone is enough for her to break, and that's okay  
Just as long as I find the words  
And tears alone are the problems that she makes  
And that's her way  
Just as long as I find the words
