Leper Madonna

Beatallica

Leper Madonna, spineless from the start
Like a virgin comes in town, youre sucked into the part
(Woah)
Living by your story, spreading your disease
Suffer for your glory falling to your kneesFriday night, brazier in your suitcase
Like a prayer, death creeping like a nun
Thursday blind devotion, she came with black laceSee OrionLeper Madonna, Jayms is at your breast
He don't give a fuck a how you feed the rest
(Hell no)See OrionLeper Madonna, Jayms is in your bed
Listen to Beatallica raging in your head
(Yeah, yeah)Tuesday, you are taken by the glamor
Wednesday, see the sheep are set to come
(Come on)
Thursday, you're a stinking drunk with powerSee OrionLeper Madonna, heaven you will meet
Make a contribution, get a better seat
(Madonna, oh, yeah)
