

# Before It's Too Late (Sam and Mikaela's Theme)

## Goo Goo Dolls

I wandered through fiction to look for the truth  
Buried beneath all the lies  
And I stood at a distance to feel who you are  
Hiding myself in your eyes And hold on before it's too late  
We'll run 'til we leave this behind  
Don't fall, just be who you are  
It's all that we need in our lives And the risk that might break you  
Is the one that would save  
A life you don't live is still lost So stand on the edge with me  
Hold back your fear and see  
Nothing is real 'til it's gone And hold on before it's too late  
We'll run 'til we leave this behind  
Don't fall, just be who you are  
It's all that we need in our lives So live like you mean it  
Love 'til you feel it  
It's all that we need in our lives So stand on the edge with me  
Hold back your fear and see  
Nothing is real 'til it's gone Hold on before it's too late  
We'll run 'til we leave this behind  
Don't fall, just be who you are  
It's all that we need in our lives And hold on before it's too late  
We'll run 'til we leave this behind  
Don't fall, just be who you are  
It's all that we need in our lives  
It's all that we need in our lives  
It's all that I need in my life
