Lie To Me (Denial)

Red

Tell yourself its over now
Try to kill a broken vow
If only you could find the strength to kill the memories
These empty pages never turn
You lit the flame and let them burn
You tried to bury me so deep but what lies beneathWill your hope die alone
Will you fade on your own
Can you just turn away and let me goLie to me
You can feel
That this love was never real
Walk away
You can learn to love againLie to me
You can leave
I'll still be here when you see
Your not alone
You don't have to run again
Leave me in denialAll your secrets crawl inside
You keep them safe, you let them hide
You feel them drinking in your pain to kill the memories
So close your eyes and let it hurt
The voice inside begins to stir
Are you reminded of all you used to beCan you just turn away and let me goLie to me
You can feel
That this love was never real
Walk away
You can learn to love againLie to me
Watch me bleed
'Cause I'll still be here when you see
Your not alone
You don't have to run again
Leave me in denialAll the pain you fed
Starts to grow inside
It lives again and you can't let it die
So believe you'll never find
A reason to love againLie to me
And watch me bleed
I'll be here when you see
Your not alone
You don't need to runLie to me

Watch me bleed
'Cause I'll still be here when you see
Your not alone
You don't have to run again
Leave me in denialYou can learn to love again
Leave me in denial
You can learn to love again
Leave me in denialYeah, yeah, yeah, yeah
