

When You Think About Me

Billy Crawford

When you think about me

Do you want to get?When you sleep at night, does Justin star in your dream?

Are you thinking of me all the time, what does it mean?

Do you fantasize to your surprise? I'm there for you

Making you realize that deep inside, you want to be my booYou're still playing games, those childish games, so
all grown up

'Cause my appetite says too much is not enough

I'm curious, I don't mean to make a fuss

I think about you, do you think about us?

Tell me, tell meWhen you think about me, do you think about us?

Falling in love, do you want to get with me, with me?

When you think about me, do you think about us and making love?

Do you want to get with me, with me when you think about me?When you daydream, does J C stay on your
mind?

Do you find yourself wishing you were here by my side?

Do you wonder if it's possible to get me alone?

For you're on my pager or on my telephoneWhen you're at a club there's no one else can turn you on

When you look at me, I can tell you want to get it on

I'm curious, I want to feel the heat of your touch

I think about you, do you think about us?

Tell me, tell meWhen you think about me, do you think about us?

Falling in love, do you want to get with me, with me?

When you think about me, do you think about us and making love?

Do you want to get with me, with me when you think about me?When you think about me, do you think about
us?

Falling in love, do you want to get with me, with me?

When you think about me, do you think about us and making love?

Do you want to get with me, with me when you think about me?Do you want to get when you think about me?

Do you want to get with me when you think about me?

Tell me, tell meWhen you think about me, do you think about us?

Falling in love, do you want to get with me, with me?

When you think about me, do you think about us and making love?

Do you want to get with me, with me when you think about me?

Do you want to get with me
