Turn This Car Around

Tom Petty

Save a dream for me, the words hang in the air
Her demons take the dare
Above the lonely feather circles to the ground
The house don't make a soundTurn this car around
Turn this car around
I'm goin' backGreen and gray and auburn sliding down the sky
The devil winks an eye
A figure in the doorway shouldering the blame
This ain't without a nameTurn this car around
Turn this car around
I'm goin' back
I'm goin' back
Yeah, heyThe king and queen are loaded, falling off to sleep
The ground begins to creep
Rockets in the tail lights, red burns into night
Rolling out of sightTurn this car around
Turn this car around
I'm goin' backTurn this car around
Turn this car around
I'm goin' back
