

Hello, I'm In Delaware

City and Colour

So there goes my life
Passing by with every exit sign
And it's been so long
Sometimes I wonder how I will stay strong
No sleep tonight
I'll keep on driving these dark highway lines
And as the moon fades
One more night gone, only twenty more days
But I will see you again
I will see you again
A long time from now
And there goes my life
Passing by with every departing flight
And it's been so hard
So much time so far apart
And she walks the night
How many hearts will die tonight
And will things have changed?
I guess I'll find out in seventeen days
But I will see you again
I will see you again
A long time from now
My body aches and it hurts to sing
And no one is moving
And I wish that I weren't here tonight
But this is my life
And I will see you again
I will see you again
A long time from now
And I will see you again
I will see you again
A long time from now
