

Obvious

LeToya

Have you ever felt like
You the only one in love in your relationship?
And as hard as it was for you to let go
You knew it was the best thing for you
Well, that time has come for me
I gotta move on You say you wanna get married, but boy are you sure?
'Cause there are a couple of issues I refuse to ignore
You say one thing and you do another
And I'm realizing you don't want me on your shoulder You think material things is what I need
But all I ever wanted was you
Just a little kiss, just a little hug
Now I'm realizing that that ain't your kinda love Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
You're not changing and I know that you love me but
This thing ain't going the way I planned Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
As bad as I want you to stay
We can't keep going on this way, going this way Don't think you're doing me no favors
Feeling the need to get on one knee
When you know you ain't right at it baby
You wanna make sure I'm always around
And with the ring on my finger that means I'm on right now I seen it in your eyes you weren't
And there's a good chance you doing some dirt
'Cause I don't wanna be the one to make you do
Something you don't want to, I'm gonna let you do you Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
You're not changing and I know that you love me but
This thing ain't going the way I planned Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
As bad as I want you to stay
We can't keep going on this way, going this way Oh, no, no, no, oh, no
Oh, no, no, no, oh, no
Oh, no, no, no, oh, no
Oh, no, no, no See there's a part of me that doesn't want you here with me
That's a part of me that wants to stick right with you
But it seems like you don't wanna put up a fight
And why should I even try? Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
You're not changing and I know that you love me but

This thing ain't going the way I planned
Sometimes we want things that may not be right for us
But when you're in love you tend to look over the obvious
As bad as I want you to stay
We can't keep going on this way, going this way
Keep taking me through so much
