Remember

Irving Berlin

One little kiss, a moment of bliss, then hours of deep regret
One little smile, and after a while, a longing to forget
One little heartache left as a token
One little plaything carelessly broken
Remember the night
The night you said, "I love you"
Remember?
Remember you vowed
By all the stars above you
Remember?
Remember we found a lonely spot
And after I learned to care a lot
You promised that you'd forget me not
But you forgot
To remember
[2]
Into my dreams you wandered it seems, and then there came a day
You loved me too, my dreams had come true, and all the world was May
But soon the Maytime turned to December
You had forgotten, do you remember?
