

# Seeds of Gold

## Aaron

When you have lost the power  
That used to lift your feet  
And all you have is anger  
For all the things you've seen Believe we grow in numbers  
The seed will give a tree  
Life has a road for difference  
Close your eyes and you'll see  
Gold in your pain Something's coming up  
Something's coming up  
My friend,  
It's all around  
Something's coming up  
The wind is full of hands to help The only way to live in  
A world that doesn't care  
Of how you could breathe in  
A non-dreaming air  
Is to believe in the next day  
Seek beauty everywhere  
The wind will lift my fears  
The shadows of the day  
Hope is in my veins  
Something's coming up  
Something's coming up  
My friend  
I know by now  
Something's coming up  
The wind is full of hands to help When the weight is so strong  
And I can feel my eyes  
Burning all day long  
From the fire of my cries  
I remember the tree  
That came out of the pain  
I remember how beauty  
Sometimes comes out of the rain  
Time is my strength Something's coming up  
Something's coming up  
My friend,  
Its all around  
I know that now

Something's coming up  
The wind is full of hands to help  
Seeds of gold  
Seeds of gold  
Something's coming up  
Something's coming up  
My friend, I know by now  
Something's coming up  
The wind is full of hands to help  
Seeds of gold  
Seeds of gold
