

Lovelife

SLuG

Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret

Or you won't find the real you
If you know what I mean say, Ayo!
If you feel what I feel say, Ayo!
'Cause things can only get better
If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together
[Chorus]One life
One love
All you need in life is one love
One life
One love
All you need in life is one love
The air I breathe
Is pure and clean
And you should breathe it too
Just live the dream
Raw energy
It's taking over you
If you know what I mean say, Ayo!
If you feel what I feel, Ayo!
Cuz things can only get better
If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together
[Chorus]One life
One love
All you need in life is one love
One life
One love
All you need in life is one love
[Bridge]One love
One life
Everything will be alright
One love
One life
Everything will be alright
[Chorus]One life
One love
All you need in life is one love
One life
One love
All you need in life is one love
