

Wake Up

Girlicious

Should've said goodbye, every time that I cry
I just couldn't find my way to the door
Should've realized, not pretend that I'm lying
When I knew it wasn't working no more
I use to think without you, there was no me
Suffocate myself to the point I can't breathe
Caught up in your trap, wishing I can just leave
So I'm gonna let go, just a bad dream
Shut it down, wake up
This time admit it, I found me
I'll see how you'll do without me
Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
Always at your side every time we collide
Gotta surrender the war
Cause I was on your side, you and I, do or die
But I can't take anymore
I use to think without you, there was no me
Suffocate myself to the point I can't breathe
Caught up in your trap, wishing I can just leave

So I'm gonna let go, just a bad dream
Shut it down, wake up
This time admit it, I found me
I'll see how you'll do without me
Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
I was scared of letting go, but I can't this no more
And now I finally know I'm better on my own
This ain't what love supposed to be
Shut it down, wake up
This time admit it, I found me
I'll see how you'll do without me

Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
 You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
 You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
 You ain't gonna hold me down anymore
