Wiserway

Pavo Pavo

there's a wiserway to do this
uncertain bands of gold
the second time I put you through this
would you cut the cops a break?
tornado, tornadomaybe it shines like a diamond
maybe it cuts like a knife
maybe I could spend the rest of my lifethere's curious flame on the dancefloor
a good star in a bad sky
a better sky to down intornado, tornado
maybe it shines like a diamond
maybe it cuts like a knife
maybe I could spend the rest of my life
